

Southern Boulevard (SR 80) Bridge Replacement Project

The Florida Department of Transportation and project partners invite you to a public information meeting for the Southern Boulevard (SR 80) Bridge Replacement Project.

Wednesday, March 15, 2017

5:30 p.m. to 7:30 p.m.

**St. Catherine Greek Orthodox
Church Cultural Center**

**110 Southern Boulevard,
West Palm Beach, Florida, 33405**

During the informal open house, attendees will have the opportunity to review renderings of the new bascule bridge, the construction plans and traffic control plans. Project team personnel will be available throughout the meeting to discuss the project and answer questions.

PROJECT DETAILS:

The Southern Boulevard Bridge Replacement Project consists of replacing the existing bascule bridge and tide relief bridge over the Intracoastal Waterway and Lake Worth Lagoon between the Town of Palm Beach and City of West Palm Beach. New decorative lighting, pedestrian features, traffic signals and drainage are included. A temporary bridge will be built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction.

Estimated Construction Cost: \$93 million

Construction Start: Spring 2017

Completion Date: Late 2020

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. If you need special accommodations under the Americans with Disabilities Act or require translation services (free of charge), please contact Angel Streeter Gardner, Public Information Officer at least seven days prior to the meeting. She can be reached at 561-702-9096 or via email at Angel.Gardner@qcausa.com.
